Establishment for the Trust Board for the improvement of the City of Mysore

8/	**FILE No. L. F. 88-03.** *Establishment under the Trust Board for the Improvement of the City of Mysore.* From the Chairman of the Mysore City Improvement Trust Board, No. 79, dated 10th June 1904. Submits a statement showing the salaries drawn by the officials of the Trust Board and the minimum and maximum salaries sanctioned for certain appointments which he states were not intended to be on the progressive scale. 9/	From the Secretary, General and Revenue Department, No. 548—L. F. 88-03, dated 22nd July 1904. Declines to sanction the Chairman's request that the salaries of the appointments in his office should be regulated by service and qualification and not by the rule in Article 95 of the Service Regulations and directs that the provisions of the Service Regulations should be strictly adhered to.	

G. R. S. 56.

33. In the ensuing year's Budget of the Trade Board provision has been made for the maximum pay of the progressive appointments in the Chairman's Office and for the maximum salaries of the appointments in the Mysore Silk Improvements Division instead of the actuals on 1st July 1904 In this office Docket No 4627/2320-04 & the 27th May 1904 the Chairman was requested to submit a statement shewing the actual pay now drawn by the officials in progressive appointments and the dates from which the periodical increments are due to each.

In submitting the statement (for all officials) the Chairman states that the appointments in question were not intended to be on the progressive scale, & that the proposals were to enter each head "according to qualification and service in other departments varying in salaries from the minimum and maximum that according to the qualifications of the holders certain salaries have been fixed and that if their future satisfactory work their salaries will be raised to the max

In P. P. No 3024-7 of 1904 it was observed that the salaries of Sub-Divisional Officers and Sub-Inspectors will be their grade Salaries and that their pay should not differ by increments. As the above observation does not apply to the clerical establishment it seems necessary that their promotions should be regulated by article 95 of the Service Regulations. Submitted for orders

But this evidently was not what the Chairman had in view when he submitted his proposals. He explained that he intended that the salaries should be regulated by length of service and qualification and not by the rule in article 95. I think he may be authorised to give effect to his intention.

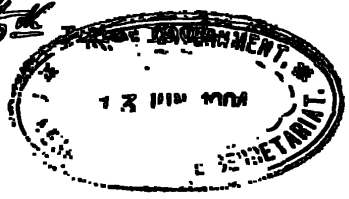
Office of the Chairman of the Board of Trustees,
for the Mysore City Improvement,
Dated Mysore 4th Feb 1904.



From

D.Sitaram Rao Esq.
Chairman of the Board of Trustees,
Mysore City Improvement.

To

L.Ananthasami Rao Esq., B.A.
Secretary to the Govt. of H.H.the Maharajah of Mysore,
General & Revenue Departments.

Sir,

In reply to Secretary's docket No. 4627/20-04 of the 27th ultimo, calling for a statement showing the actual pay now drawn by the officials in progressive appointments, and the date from which the first increments are due to each, I have the honor to report that the appointments on the Trust Board were not intended to be on the progressive scale. The proposals were to engage hands according to qualification and service in other Departments varying in salaries from the minimum and maximum amounts noted, and this procedure was chiefly intended to be adopted in the case of subordinates engaged on the out-door work such as Sub-Divisional Officers, Sub-Overseers, Surveyors and Maistries. These proposals were sanctioned in the Proceedings of the Government 3024-27/LR88 dated 17th February 1904, while sanctioning the Establishment". According to the qualification of the hands engaged, salaries are now fixed, and if these shew satisfactory work, their salaries will be raised to maximum limit as they deserve. I am of opinion that this arrangement will enable the Office hands and the Executive Staff to work with zeal and exert to deserve encouragement. A statement shewing the salaries now drawn by all the Officials and the maximum amount sanctioned for the appointment is enclosed for ready reference.

P.T.O.

I have the honor to be,

Sir,

Your most obedient servant,

Chairman.
